

You're Invited to an Odyssey of the Mind[®] Judges Training Workshop

Teams of local students from elementary through secondary school will compete at the Region 6 Odyssey of the Mind Regional Competition on March 6, 2010 at the Hudson Falls High School. The regional competition is the first step in determining which teams will represent New York State at the Odyssey of the Mind 2010 World Finals. The teams have spent months applying talent and imagination to create solutions for a variety of "problems." They'll have 8 minutes to present the solutions to an audience of judges, parents, teachers and other supporters. Local trained volunteer judges will score the solutions for creativity, originality and meeting the problem's requirements.

In preparation for our regional Odyssey of the Mind Competition on March 6, 2010 at the Hudson Falls High School and to assure consistency in judging at all levels, we are urging that anyone interested in judging come to a training session which is being conducted by the WSWHE BOCES Gifted & Talented Program.

Training Date:	February 2, 2010
Instructor:	Caren Snell, Principal for Special Programs G&T
Time:	7-9 p.m.
Location:	Gick Road Conference Center
