

## Professional Development Online Course Offerings 2005-2006

### Moving Beyond the Basics: Enrichment in Your Classroom

In this course we will look at the concept of classroom enrichment. Anyone who works with students will benefit from thinking beyond the basics of instruction to helping all your students truly dig into learning. If you agree that there are ways to enrich every child's education, then you should walk through this tutorial.

<b>Audience:</b>	<b>K-12 Paraprofessional Educator</b>
<b>Estimated Time:</b>	<b><i>6 weeks- Approximately 7 hours of engagement</i></b>
<b>Evidence of Completion:</b>	To meet the requirements as posted in the course rubric.
<b>Course Developer:</b>	Jeremiah Frink is currently the coordinator for the student online courses at AccelerateU. Previously he was the Enrichment teacher in LeRoy, taught fifth grade in the city of Rochester and has worked as a staff developer in the area of technology integration.
