ADDENDUM

- 11.M.** Recommend the Board approve the lease of three additional classrooms and related support spaces at Sanford Street School in the Glens Falls City School District for 2016-17 to accommodate the increase in student enrollment. Also authorize the renovations necessary to prepare these spaces be completed on an emergency basis and waive the normal procurement policies and procedures, including competitive quotes and bids. This resolution also directs the Deputy District Superintendent to contract for this necessary work as expeditiously as possible so the spaces are ready for school opening in September, and to encumber a sufficient amount of available 2015-16 funds to pay for such work.
