

SUBJECT: SPECIAL PROGRAMS OF ADULT AND CONTINUING EDUCATION

Within the framework of the law, the District Superintendent is authorized to develop programs of adult education and provide them to individuals, governmental agencies, school districts, businesses, industries, employer associations, professional organizations, labor unions and similar organizations that may need such educational programs for their employees.

The District Superintendent is authorized to enter into contracts to provide such programs, and to assemble personnel, material and equipment resources necessary for carrying out the terms of the contracts.

Adopted: January 9, 2002
