

SUBJECT: EVALUATION OF ADMINISTRATIVE AND MANAGEMENT PERSONNEL

Evaluation of the performance of all administrators and management personnel is an integral part of the total system of accountability instituted by the Board. The primary purpose of evaluation is the improvement of the services provided by this BOCES.

The Board, in conference with the District Superintendent, shall review the District Superintendent's performance each year.

All other administrative personnel shall be evaluated by the District Superintendent or other administrator to whom they report.

Adopted: January 9, 2002
