

**SUBJECT: VEHICLE SAFETY**

Students attending BOCES classes are expected to use the school buses provided to transport them.

In those instances where students need to provide their own transportation, driving permits may be issued through the respective BOCES school office after consultation with parents/guardians and the home school district. Students using vehicles on BOCES property shall obey all traffic regulations of the State and of the BOCES. Reckless driving and/or speeding shall not be tolerated. Student parking will be allowed only in authorized places.
