

WASHINGTON-SARATOGA-WARREN-HAMILTON-ESSEX
BOARD OF COOPERATIVE EDUCATIONAL SERVICES

ADMINISTRATIVE REGULATION

EYE AND FACE PROTECTION

All employees, students and visitors when entering designated shops or areas must use appropriate eye or face protection, as required by 29CFR 1919.133. This equipment is required when entering area's where the individual will be exposed to eye or face hazards from particles, molten metal, liquid chemicals, acids or caustic liquids, chemical gases or vapors, or potentially injurious light radiation.

Protective eye and face devices purchased after July 5, 1994 must comply with ANSI Z87.1-1989 or be demonstrated to be equally effective. Devices purchased before that date must comply with ANSI Z87.1-1968 or be equally effective.

Damaged or defective equipment shall not be used.

The Campus Principal will:

1. Determine the designated shops or areas.
2. Determine the method of distribution to assure eye protection is available to comply with this regulation.
