

# Articulation Agreement Credit Application

The Washington-Saratoga-Warren-Hamilton-Essex BOCES, through its Southern Adirondack and F. Donald Myers Education Centers, has articulation agreements in place for most of the Career and Technical Education (CTE) programs offered. Students may earn anywhere from 1-14 college credits if they meet the agreed upon standards in these articulation agreements that have been developed between the secondary CTE programs and postsecondary institutions. Students who meet the requirements will receive credits and/or benefits as stated in the articulated agreements.

A complete list of programs with articulated agreements and the number of credits available is listed in the guidance offices at both the CTE centers and home schools.

Students should complete this application prior to the end of their first semester and submit it to their CTE center guidance office.
