HORTICULTURE, LANDSCAPING & FLORAL DESIGN

Course Description:	A two-year program that incorporates contemporary knowledge, skills, and practices found in the horticulture, floral, and landscaping industries and is aligned with the NYS Nursery & Landscape Association's Certified Nursery & Landscape Professional Certification and the Cornell Agricultural Education Technical Assessment System
Prerequisites:	The class is open to juniors and seniors in high school as well as adults.
1 Year/2 Years:	The Horticulture/Landscaping Program can be taken for one year as a senior or two years starting in the student's junior year.
Location:	F. Donald Myers Education Center
Course Objective:	To develop entry level skills necessary for employment and to encourage students to study horticulture, landscaping, and floral design in college.
Course Topic Outline:	Topics covered in the program include: <ul style="list-style-type: none">• Plant Anatomy and Physiology• Plant Propagation• Soil Science• Greenhouse Crop Production and Marketing• Landscape Design• Installation and Maintenance• Floral Design• Garden Center Operation• Integrated Pest Management• Landscape Equipment Operation• Career and Financial Management• College and Career Readiness• English Language Arts• Math
Student Course Requirements:	Students must be serious about making a commitment to study Horticulture/Landscaping. Good attendance and personal attitude are essential for success.
Textbooks/ Materials Resources:	Introductory Horticulture (sixth edition) by H. Edward Reiley & Carroll Shry, Jr.
Assessments/ Technical Assessments:	› Cornell Agricultural Education Technical Assessment System › NYSNLA Junior Certified Nursery & Landscape Professional (pending)
Grading System:	Quizzes 15% Projects 40% In-Class Assignments 20% Tests 20% Homework/Journal 5%
Attendance & Class Participation:	The WSWHE BOCES has an attendance policy that requires students to miss no more than 18 days across the school year. For those times when it is necessary to be absent, a written note from the parent/guardian will be expected the next class day.
Activities/Labs/ Projects/Clinics:	Production of plants in a greenhouse appropriate for the season, floral design, garden center operation and landscape design, installation and maintenance projects.
Student Provided Material List:	Three-ring binder. All other materials will be provided.

The future of career success starts here.

Industry Certification: A junior Certified Nursery & Landscape Professional (CNLP) certification is currently being developed by the New York State Nursery and Landscape Association.

Articulation Agreements: Each Career and Technical Education (CTE) program is geared to ready students for the world of work and for the rigors of post-secondary coursework. To that end, each program has worked with area colleges to obtain articulation agreements that allow for advance standing or the issuance of credit to those CTE students meeting all program requirements and articulation agreement standards. We currently have an articulation agreement in place with:

› SUNY Cobleskill

We are also developing agreements with additional post-secondary institutions.

ELA/Math Credit Integrated Academic Overview: Each Career and Technical Education (CTE) program offered at the WSWHE BOCES has five (5) major curriculum elements that students will acquire over a one year or two year period. Two (2) of the five (5) curriculum elements include English Language Arts and Mathematics. These program elements are taught using a co-teaching model, which teams the CTE subject experts and certified English and Math instructors. Topics in English and Math are tied to specific business and industry course content, which illustrates to students how academic material and business knowledge and skill relate to one another. English and Math elements are taught at the commencement level and meet NYS Standards for students to obtain one (1) credit for each over a two-year period. Program specifics are as follows:

Commencement Level Math 54 hours/yr
English Language Arts 54 hours/yr
1 credit = 108 hours

Career & Financial Management Credit Overview: Each Career and Technical Education (CTE) program offered at the WSWHE BOCES offers a Career & Financial Management credit to all students who successfully complete a CTE program. This curriculum element is comprised of two major parts; (A) Introduction to Occupations and (B) Nature of Industry. Part A is delivered through integrated class assignments, while Part B is automatically delivered due to the nature of CTE.

NTHS Nominations Requirements:

- › Maintain a cumulative CTE average of 92% or higher based upon 1st & 2nd quarter grades.
- › Maintain a record of excellent attendance in CTE (9 days per year).
- › Plan to pursue a career in their field of training.
- › Maintain an outstanding record of employability skills as judged by the CTE instructor.
- › Nomination by the CTE instructor with no reservations.
- › Instructor nomination must include a yes answer to the following characteristics established by the national office: follows instructions, safety conscious, works well with others, is dependable, trustworthy, responsible, honest, takes pride in work, exhibits a good attitude, exhibits leadership, exhibits good citizenship.

Student Affiliated Organization:

- › SkillsUSA
- › FFA Club

WBL Experiences/ Requirements:

Each Career and Technical Education (CTE) program has a Work-Based Learning experience more commonly referred to as an internship. This means that all students prior to the end of the second year are given the opportunity to be exposed to the operation of a business and specific job duties related to careers in their CTE area. This internship is designed to connect the skills and knowledge learned in the CTE classroom with the real world requirements of a business. Students must demonstrate good attendance, attitude, internship records, and work ethics, as well as respect for others and property.

The Washington-Saratoga-Warren-Hamilton-Essex BOCES does not discriminate in its employment and admission to programs and activities as applicable, on the basis of actual or perceived race, color, creed, sex, sexual orientation, national origin, religion, age, economic status, marital status, veterans' status, political affiliation, domestic victim status, use of a guide dog, hearing dog or service dog, disability, or other classifications protected under federal or state law, and provides equal access to the Boy Scouts and other designated youth groups.
