## **WSWHE BOCES MultiMedia Snow Day Policy:**

If a BOCES MultiMedia delivery is cancelled due to bad weather conditions, the deliveries will be continued in sequence (example: if a Friday delivery is cancelled because of a snow day, the item will be delivered the following delivery day).

Items may have a shorter available booking period (depending on if these items are scheduled to go out to another school after your use). If this is not the case, items can be extended. Please call us before the due date on the item to have this item to be extended.

Thank you.
