## **WSWHE BOCES Code of Conduct Summary**

BOCES students shall have the rights afforded to students under the provision of the Federal and State constitutions and the laws of the State of New York.

### **RESPONSIBILITIES:**

A student shall not act in such a manner which disrupts the rights of others or which causes disorder or invades the rights of others. A school is a place of learning. Learning involves the expansion of knowledge as well as acting in a manner considerate of the rights and feelings of others. Students learn from each other. Students must be conscious that younger students follow the leadership of upper classmen. Such examples should enhance the school environment.

Students are expected to show respect for faculty and all other members of the school community. A relationship based upon respect creates a harmonious environment. It shall be the responsibility of students to:

1. Be aware of and obey school rules and regulations.
2. Accept responsibility for their own actions.
3. Respect the rights of others, including the right to secure an education in an environment that is orderly and disciplined.
4. Avoid bullying, harassing behavior.
5. Attend school regularly and punctually.
6. Take advantage of the academic opportunities offered at school.
7. Support and participate in school activities.
8. Maintain habits of personal cleanliness.
9. Respect school property and the property of others.
10. Strive for mutually respectful relationships with teachers and administrators recognizing their role as surrogate parent in matters of behavior and discipline.

There will be a range of consequences for students engaging in any of the above conduct.

### **Prohibited Conduct on BOCES Premises**

All WSWHE BOCES rules and regulations apply to students:

- On the school grounds or within reasonable proximity to school grounds during and immediately before or after school hours.
- On the school grounds at any other time when the school is being used by a school group.
- Off the school grounds, on school buses, at a school activity, function, or event.
- Off the school grounds when the prohibited behavior is a consequence of or directly related to causes or events which occurred or originated on school grounds.
- Whenever the misconduct has a real and substantial relationship to the lawful maintenance and operation of the school district, including the health and safety of the students and employees, and/or otherwise adversely affects the education process.

### **THE RANGE OF CONSEQUENCES**

The range of consequences that may be imposed for the conduct set forth in the Code of Conduct for Student Behavior is as follows:

1. Verbal warning;
2. Written warning;
3. Written notification to parent/guardian;
4. Counseling;
5. Reprimand, either written or verbal;
6. Suspension from club activities;
7. Suspension of other privileges;
8. Assignment to alternative learning environment;
9. Involuntary transfer;
10. Suspension from instruction;
11. Removal from classroom by teacher

The building principal, program supervisor, or district superintendent shall determine the type and extent of discipline. Such disciplinary measures shall be appropriate to the seriousness of the offense and, where applicable, to the previous disciplinary record of the student. Any suspension from attendance from instruction may be imposed only in accordance with Education Law section 3214 (3) as defined by the WSWHE BOCES or component school procedures for suspension.

The Board recognizes that it may be necessary to suspend, remove or otherwise discipline students with disabilities to address disruptive or problem behavior. The Board also recognizes that students with disabilities have certain procedural protections whenever school authorities intend to impose discipline upon them. The Board is committed to ensuring that the procedures followed for suspending, removing or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations. This code of conduct affords students with disabilities subject to disciplinary action no greater or lesser rights than those expressly afforded by applicable federal and state law regulations.
